Stompers 10U “B” 2009 Summer Team Tryouts

When: Friday, May 1st. Time: 5:00 to 7:30 pm. Vista Grande South
 Sunday, May 3rd. Time: 1:00 to 3:30 pm. Vista Grande South
Where: Vista Grande Elementary School located on Diablo Rd, Danville. Fields are behind the school.

Dates and times are tentative and subject to change. Check the SRVGAL website (www.srvgal.org) for current schedule.

Attendance at both sessions is recommended. Please arrive 20 minutes early to check in and warm-up.

Teams and Coaches:

Current plan is to field at one to two teams depending on turnout at this age level. If there are enough interested players and coaches are available, then a second team could be fielded.

U10 Stompers Team 1: Anne Phillips Manager

Time Commitment:

5 or 6 Weekends give or take between the end of May thru July. Each tournament weekend involves a full day on Saturday and usually a half day on Sunday, with almost always Sunday morning games. There is also a remote possibility of a game on a Friday evening if the tournament has too many teams. Practices will be 2 to 3 times a week (late afternoon / evening) depending on tournament schedule. It may be OK with a player missing an occasional practices and game or even a tournament due to other family commitments.

(Coaches will want to know what dates the player is not available for before selecting the team.)

We will attempt to manage this so multiple players are not missing for the same tournament.

Tournaments:

The Stompers team will probably play 5 or 6 tournaments between May/June/July. The tentative schedule for the tournaments is on page 2.

Interested?

If you love to play softball, like to hang out with other girls that love softball, and want an opportunity to improve your game, we encourage you to tryout, as playing on a Stompers team can be a great experience.

If you are considering trying out for a 10U Stompers “B” team, it would be very much appreciated if you would please complete the attached form and return it as indicated (or include the requested info in the body of an email). This form is intended to help us plan accordingly for the tryouts and to determine if there is a great enough interest to possibly field additional team at the 10U age level.
